MEMORANDUM FOR: Deputy Director for National Foreign Assessment
Chairman, National Intelligence Council

FROM: Director of Central Intelligence

SUBJECT: Soviet Approach to Arms Transfers

I view as important this request from Frank Carlucci (attached) with respect to analysis of the Soviet approach to arms transfers. It will need more than OER statistics. You will have to get into questions of purpose, delivery, training, maintenance, etc. Indeed, I think it should reach out and relate arms transfers to the whole question of Soviet effort to penetrate the Third World as developed in the OPA memorandum of 31 July 1981 drafted by

25X1

for William J. Casey
